MEKEY ICE FOR USA & CANADA

This is some great news for you guys who live in the USA and Canada - things are in the early stages, but we are hoping to have a distributor based in the US quite soon.

This means you will be able to buy from a business based in the US so delivery times should be much quicker and cheaper than buying from the UK www.mekeyusa.com

Great emergency / medical ID for runners, bikers, skiers cyclists any outdoor or adventure sport.
